Subj: Fayetteville Area Local #984 President

To: Tony D. McKinnon, Sr.

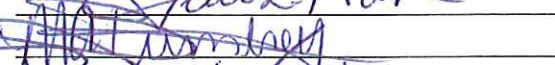

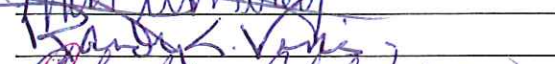

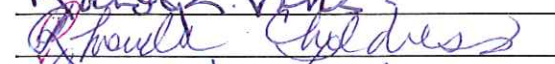

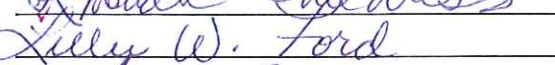

First and foremost, Congratulations on your successful win as the National APWU Director of Industrial Relations. Our persistence paid off by not accepting your resignation letter, and insisting you remain as President. Although you will no longer be involved in the day to day operations, the Fayetteville Area Local #984 Executive Board Members most humbly thank you for accepting our request to remain as our Local President, being on a leave of absence for the purpose of guidance and direction, not to exceed the length of this current term.

The Fayetteville Area Local #984 Executive Board admires your humility to allow the local to spread out payment of your terminal leave for an extended period. This decision allows the local to remain financially solvent. We graciously thank you for that as well.

In closing, the Fayetteville Area Local #984 Executive Board and Members wish you **GOOD LUCK** on your new position as the National APWU Director of Industrial Relations Director.

In Union Solidarity, We Remain,

The Fayetteville Area Local #984 Executive Board

Terri Horne, Secretary/Treasurer	
Mary Bumbrey, Industrial Relations Director
