WHY WE SUPPORT OUR BROTHER—OMAR M. GONZALEZ

YOUNG WORKERS

OMAR is a role model, a great passionate teacher and leader. Always available to assist us and to give his support as well.

With 45 years of service Omar is still a postal employee. He knows about the struggles we face daily on the work floor.

Omar's knowledge, dedication and his passion for our Union and for mentoring young postal workers is one of a kind.

As we advance in our careers, I know there is not a person more knowledgeable, passionate, dedicated and suitable to be our Western Regional Coordinator.

Please join me, and the young workers, and vote for Omar Gonzalez.

Thank you and in solidarity,

Sabrina Larsen,

APWU Young Workers, SLC #6

CLERKS

OMAR is a one stop resolution. No matter how minor or major the issue, he is eager to help. Omar is always just a phone call or email away.

The well being of postal workers is his passion. Omar's dedication to the clerk craft lets me know that when I reach out for his assistance I am in good hands and so is our craft.

Omar never passes the buck and knows how to network to get things done. He demands and gets respect from management.

I am truly honored to know this man who encourages us, no matter how hard the issue is, to keep on fighting.

Thanks & Vote For Omar Gonzalez,

Charquita Rainey,

Clerks, Adm Vice-President, LA #64

MAINTENANCE

OMAR dedicated his entire adult life to serve postal workers of all crafts and has always been in support of the Maintenance Craft and our issues.

You will not find a more selfless unionist in our ranks. Omar took me under his wing, as he does for so many, to help motivate me to serve our craft.

Omar has helped propel the careers of several unionists to the National level. A proven leader, I urge you to support and vote for Omar Gonzalez.

In Union Solidarity,

Idowu Balogun,
