MEMORANDUM FOR AREA LABOR RELATIONS

Subject: Request for Withholding

Due to the reduction of maintenance craft positions to match authorized staffing, it is anticipated that the following will be reassigned outside of the craft and/or installation at the Norristown Tri-County Branch:

CRAFT	JOB CATEGORY	PAY LEVEL	COUNT
Maintenance	Maintenance Mechanic	07	1
Maintenance	Building Maintenance Mechanic	09	3

To minimize dislocation and inconvenience of regular work force employees consistent with the needs of the service, it is requested that full-time and part-time residual duty assignments be withheld within 50 miles.

Attached is a copy of the maintenance staffing package relative to this action. It is anticipated that implementation of the above cited change would be April 24, 2021.
