Subject: Withholding - Wisconsin District  
Wausau P&DF  
Event #68115

Dear Union Representatives:

Attached is the impact statement from the Wisconsin District that reflects the clerk staffing guidelines at the Wausau P&DF resulting from a Mail Move and DBCS machine removal:

<u>From Installation</u>	<u>Gaining Installation</u>
Wausau P&DF	Green Bay P&DC

Five DBCS machines will be removed. Additionally, DPS processing will be moved to Green Bay P&DC. As a result of the operational changes the above installation will have an impact to the clerk staffing in the following manner:

<u>Office</u>	<u>Number of Impacted Employees</u>
Wausau P&DF	7 clerk positions

The total impact for the installation is seven (7) clerk craft employees. It is anticipated that attrition alone will not be sufficient to avoid excessing outside the craft and/or installation.

Any involuntary reassignments will be affected in accordance with Article 12.5.C.5 of the Collective Bargaining Agreement.

Based on the attached, this is your notification that full-time residual vacancies in all crafts, level 6 and below within this installation and the surrounding 50 miles, will be withheld in accordance with Article 12.5.C.5 of the Collective Bargaining agreement, up to the number indicated.

Implementation of the above cited impact is anticipated for November 6, 2021.
