

Are you a proud APWU member excited to vote on our new 2021-2024 Tentative Agreement?

We need your help to encourage other members to “Get Out The Vote” in big numbers and send a strong message to management that our union stands united behind this exciting new contract!

1) Take a High Quality Photo

- * Have a friend or co-worker use your phone's front-facing camera to take a picture of you. Your phone's front-facing camera is higher quality than the selfie camera.
- * Make sure you are well lit, and that the picture isn't blurry. Take multiple photos if necessary.
- * Include a picture of a handmade sign that says "APWU Votes!"

2) Write a Quote

- * Write 1-3 sentences about why you support the contract, and plan to vote.
- * Be specific, and don't be afraid to talk about how the contract will impact you and your role specifically.
- * Example: "As a Postal Clerk of 15 years and proud APWU member, I am thrilled to see the protections against inflation and strong wages increases in this contract. I will be voting YES!"

3) Submit your photo & quote!

- * Email your photo & quote to communications@apwu.org
- * When you send your photo, be sure to send it full size, do not make it smaller.
- * APWU communications will share your submissions on social media and other platforms with the hashtag #APWUUnited. Feel free to share on your own account as well!
