Elect Alex Aleman

FOR

National Business Agent (C), Dallas Region, Clerk Division

***I am running for the office of National Business Agent (C),
Dallas Region, Clerk Division and I am a proud member
of the San Antonio Alamo Area Local.***

I have served sixteen (16) years as Local President of the San Antonio Alamo Area Local. As Local President I served as an Arbitration Advocate.

I dedicated my entire postal career to the American Postal Workers Union. I am proud to say; I have never served in Management.

I am running for National Business Agent because I will utilize my experience, knowledge and skills to represent and serve my union brothers and sisters in the great states of Louisiana and Texas!

I will share my experience, knowledge and grievance skills with our members, stewards and local officers. I will assist our stewards and officers to become more effective in the grievance procedure.

Effective grievances will bring justice and respectability to our union, and more importantly, to our union members on the work room floor.

In today's work environment we cannot expect management to do the right thing.

The only recourse we have to protect our members and contractual rights is the grievance procedure. I have experience in the grievance procedure.

I will assist locals in local negotiations.

This election it is important that you exercise your voice and vote.

Your vote can make a difference, I respectfully request your support and vote!
