SISTERS/BROTHERS/SIBLINGS/APWU FAMILY INFORMATIONAL PICKET/DAY OF PROTEST!!!

WEDNESDAY, JULY 12, 2023, 2PM TO 4PM
MID-ISLAND P & DC, 160 DURYE RD., MELVILLE

On May 5, 2023, a NY-2 District Labor Relations Specialist attempted to physically assault Long Island, NY Area Local APWU Executive Vice President Michelle Nadeau, and did so in front of witnesses. The management person also engaged in discriminatory and defamatory behavior displayed towards APWU representatives, as well as attempting to silence APWU officials!

To date, Area and District management has not taken any action against this individual despite her outrageous conduct. She was not placed on Emergency Placement, nor has any form of discipline been issued to her. We all know what would've happened to a craft employee under similar circumstances!

Let's stand together in solidarity union family, to protest this outrageous conduct and disrespect displayed towards the members of the APWU. We will not be silenced!!!

In union solidarity,
Long Island, NY Area Local APWU

PLEASE DISTRIBUTE!
LOOK FORWARD TO SEEING YOU ON JULY 12TH!
