I am humbled and honored to serve the Union membership as a National Business Agent, Local President, Vice President, Clerk Craft Director and Steward.

I never have and never will take this duty of representation for granted.

I work for YOU and ALWAYS take into consideration that it is the dues paying membership's money being used to keep this the absolute best Union in the world.

You will continue to see me IN PERSON! I travel and make time for every State and Local I represent. Face-to-face communication is the best way to demonstrate our passion as a UNION.
