Dear Brother Randall Zelznick, Fighter for Justice!

On behalf of the 200,000 members of the American Postal Workers Union, I personally salute your outstanding efforts as a dedicated activist in the fight against the dirty USPS-Staples deal.

This victorious "Stop Staples" campaign, in defense of good union jobs and good public postal services, could not have succeeded without your passionate and determined efforts. This three year battle helps to encourage all our members and shows that workers can and will win! And it helps steel our union and postal workers for the many challenges that lie ahead.

I always believed we would win this fight if we stayed the activist course and kept it "in the streets."

You should be proud of your contribution as a frontline fighter in this important victory.

Again, Terrific Job!

Carry On and Solidarity Forever!

Mark Dimondstein  
President
