For customers sending packages internationally, USPS suggests checking the complete list of recommended holiday mailing and shipping dates at *usps.com/holiday-shippingdates*. Military Care Kit

The Postal Service has created a free Military Care Kit based on the items most frequently requested by military families. The kit contains the following:

1. Two APO/FPO Priority Mail Flat Rate boxes.
2. Four medium Priority Mail Flat Rate boxes.
3. Priority Mail tape.
4. Six Priority Mail address labels.
5. Appropriate customs forms.

To order the Military Care Kit, or for more information on military and diplomatic mail, call 800-610-8734. Each Priority Mail and Priority Mail Express shipment includes USPS Tracking® services. Guidelines for packing, addressing, and shipping items to United States troops can be found at *usps.com/ship/apo-fpo-dpo.htm*.

Military and Diplomatic Mail (APOs/FPOs/DPOs)

You can ship care packages to military addresses at domestic prices, even if you're sending mail overseas. The Postal Service can help you with the following:

- Free military shipping kits, addressing tips, and country-by-country guidance on what you can and can't send.
- Filling out customs form (including more-detailed package descriptions required by countries that follow European Union customs rules).
- Scheduling free package pickup when your shipment is ready to go.

The Postal Service also offers a discounted price of $34.65 on its largest Priority Mail Flat Rate box when sending packages to loved ones serving in the military abroad. The price includes a $1.45 per box discount for mail sent to Air/Army Post Offices/Fleet Post Offices/Diplomatic Post Offices (APOs/FPOs/DPOs) destinations worldwide.

Priority Mail Flat Rate boxes are available at no cost at local Post Office locations or from The Postal Store® at *usps.com/freeboxes*. Also available online are Priority Mail Flat Rate boxes featuring the "America Supports You" logo and APO/FPO addressing block.

Addressing Military and Diplomatic Mail

Each shipment to an APO/FPO/DPO needs the recipient's name, rank, unit, and the APO/FPO/DPO address with the ZIP+4® Code. Always include a return address. Mail and shipments must be addressed to a specific person; addressing to "Any Service Member" is no longer permitted. To prevent mail from entering foreign mail networks, do not include city or country names in APO/FPO/DPO shipping addresses. Here are properly addressed shipment examples:

Army/Air Post Office (APO)
JOHN DOE
PSC 3 BOX 4120
APO, AE 09021

Fleet Post Office (FPO)
SEAMAN JOSEPH SMITH
UNIT 8400 BOX 0000
FPO, AP 96691

Diplomatic Post Office (DPO)
JOHN ADAMS
UNIT 8400 BOX 0000
DPO, AE 09498-0048

- **Properly Prepare Your Shipment:** Whether shipping to domestic or overseas military, and diplomatic post offices, make sure you follow the guidelines for preparing your box or envelope correctly, so it arrives on time. Learn about size and weight requirements, calculating postage, and dropping off your shipment. Learn how to prepare international shipments at *usps.com*.
- **Tuck an address inside the box:** It is a good idea to include a second piece of paper with the address inside the box, just in case something happens to damage the label on the outside. Be sure to include both the destination address and your return address on the spare copy.
- **Keep temperature in mind:** Remember that outdoor conditions can affect the contents of your package. Desert temperatures typically exceed 100 degrees, which can damage delicate goods like electronics.

USPS Operation Santa

Every year, millions of children and families write letters to Santa Claus. For 114 years, USPS Operation Santa® has relied on the kindness of strangers to adopt some of these letters and help those less fortunate to experience the magic of the holidays.

This year, the program began accepting letters from children, and families filled with wishes, hopes, and dreams for the holiday season on September 14, 2026. Letters must be postmarked by December 5, 2026, to be eligible for potential adoption and fulfillment.*

"The holidays are a time to celebrate the joy of the season. But for some, the simple act of exchanging even small gifts is out of reach," said Sheila Holman, vice president of marketing for the Postal Service. "For more than 100 years, USPS Operation Santa has given kindhearted people the opportunity to make dreams come true for thousands of children and their families through simple acts of kindness."

This year the Postal Service is once again working with Toys"R"Us® to provide the online gift catalogue Santa's Gift Shoppe. The collection gives adopters an easy way to shop for and ship gifts directly to recipients. Of course, the option is still available for those who prefer to shop for gifts in person and send them from a Post Office location.

The letters received by USPS Operation Santa are made available for adoption on the program's website at *USPSOperationSanta.com*, after personal information is removed. USPS Operation Santa relies solely on random acts of kindness and the generosity of strangers to grant holiday wishes to those in need.

More information on participating in USPS Operation Santa:

- Participants can send up to six packages via USPS Ground Advantage® or Priority Mail® per individual or family letters.
- Packages sent by Priority Mail do not need to be in Priority Mail packaging.
- Participants must be charged for postage but are not allowed to see the recipients' addresses and will not receive tracking information.
- Participants are instructed to ship packages no later than December 12, 2026.

For additional information and detailed instructions for participation about the program, go to *uspsoperationsanta.com*.

* *There is no guarantee that letters submitted to the program will be posted; if posted, there is no guarantee they will be adopted and fulfilled.*

Keep Mercury Out of the Mail

The Postal Service is reminding customers and employees that metallic mercury and items containing metallic mercury are prohibited in the mailstream. This includes antique items such as thermometers, barometers, blood pressure monitors, and similar devices.

Mercury is a toxic chemical that even when exposed in small amounts — through inhalation, ingestion, or skin contact, may cause serious health conditions. When spilled, mercury can be absorbed into the skin and emit vapors that can produce harmful effects on the nervous, digestive, and immune systems, lungs, and kidneys may be fatal. It is important that this very harmful material is kept out of the USPS network.

Metallic mercury can be found in older thermometers, barometers, blood pressure monitors, switches, and relays. Newer or digital versions of these devices generally do not contain metallic mercury. *Poster 318*, *Civil Penalty Notice,* explains the penalties associated with mailing mercury and other hazardous materials. If a person knowingly mails items or materials that are dangerous or injurious to life, health, or property, they may be liable for a civil penalty of at least $250, but not more than $100,000 per violation; the costs of any cleanup associated with each violation and damages. They may also face criminal penalties.

Exceptions to the outright ban on mercury in the mailstream include compact fluorescent lamps, fluorescent tubes, and similar items that contain minute amounts of mercury in a vaporized state, invisible to the naked eye. These may be mailed domestically but not internationally. International addresses include Air/Army Post Office, Fleet Post Office, and Diplomatic Post Office (APO, FPO, DPO) destinations.

Publication 52, *Hazardous, Restricted and Perishable Mail,* has complete information on mailing requirements for parcels containing mercury. Publication 52 can be found on the Postal Explorer website at *pe.usps.com*. USPS has distributed a Domestic Mail Manual® (DMM®) advisory on the topic of mercury in the mailstream. Employees with questions must speak to a manager or supervisor. The organization also issued a news release in June 2024 (see *about.usps.com/newsroom/national-releases/2024/0621-mercury-remains-prohibited-in-the-mail.htm*) to remind customers that metallic mercury is prohibited in the mailstream.

The Postal Service offers *FAQs* on prohibited items containing mercury and the U.S. Postal Inspection Service has released a public service announcement on mercury in the mail (see *youtube.com/watch?v=wriu99Z01r8*). Additionally, USPS has released a chart (see *about.usps.com/newsroom/global/pdf/commonly-encountered-mercury.pdf*) with more information about commonly encountered mercury.

USPS Hold Mail

Customers can now pause their mail delivery online using USPS Hold Mail® service. USPS Hold Mail service can hold your mail safely at a local Post Office® location for up to 30 days.

To hold your mail longer or to reroute your mail, please sign up for a forwarding service at *usps.com/manage/forward.htm*. You can make your request up to 30 days in advance or as early as the next scheduled delivery day. Request your USPS Hold Mail service start date by 3 A.M. ET (2 A.M. CT or midnight PT) on your requested day, Monday–Saturday.

Here's how to submit your USPS Hold Mail request:

1. reate or sign in to your *USPS.com* account.
2. Go to USPS Hold Mail and follow the steps to verify your identity.
3. Once your identity has been verified successfully, you won't have to complete this step again for your current address.

For more details, go to *usps.com/manage/hold-mail.htm*.

Addressing your Package

Write the address parallel to the longest side of the package (or envelope), and make sure your return address, the delivery address, and postage will fit on the same side.

Sender address: Write your address (the "return address") in the top-left corner. Include the following on separate lines:

- Your full name or company name.
- Apartment or suite number.
- Full street address (including directionals N, S, E, W, etc.)
- City, State, and ZIP+4® Code.

Delivery Address: Write the delivery address in the center of the label or package (below and to the right of the return address, if possible), using the same format:

- The recipient's full name or company name.
- Apartment or Suite number.
- Full street address (including directionals N, S, E, W, etc.)
- City, State, and ZIP+4 Code.

Additional tips for addressing packages and envelopes:

- Use a pen or permanent marker.
- Print neatly using capital letters.
- If you're printing a shipping label (with postage included), you can use that instead of a separate address label.

For more information, go to *usps.com/ship/packages.htm*.

ZIP Codes

ZIP Codes are an integral part of making sure the mailpiece is processed quickly and efficiently. Not having a ZIP Code™ on your mail may cause unnecessary delays because it will require manual handling. It is recommended to use the USPS standardized street address format (including ZIP+4 Code) when addressing mailpieces to ensure that they are processed smoothly by mail sorting equipment without any delays.

The Postal Service recommends using the ZIP Code lookup tool on *usps.com*, which will display an address in USPS standardized format, at *tools.usps.com/zip-code-lookup.htm*.

For more information, go to *faq.usps.com/s/article/ZIP-Code-The-Basics*.

USPS Package Intercept

For a fee, USPS Package Intercept® lets the sender or recipient stop delivery or redirect a package, letter, or large envelope (no thicker than 3/4 inches) that is not out for delivery or already delivered. Most domestic mailings with a tracking or extra services barcode are eligible for USPS Package Intercept.

Retail senders can redirect a shipment back to your address or to a Post Office location. You can only request a Package Intercept online with a *USPS.com* account.

Commercial or business senders can redirect a shipment back to your address, to a new delivery address, or to a Post Office location as hold for pickup via the Business Customer Gateway at *gateway.usps.com/eAdmin/view/signin* .

Here's how it works:

1. To verify that your shipment is eligible for USPS Package Intercept go to *usps.com/manage/package-intercept.htm#eligibility*.
2. If eligible, you can submit your request online after logging in with your USPS account at *usps.com* account.
3. After submitting your request, you'll be provided with an estimated total (intercept fee plus estimated Priority Mail® postage, if applicable). We will then attempt to intercept and redirect the shipment.
4. If the shipment is intercepted, your credit card will be charged the $18.35 USPS Package Intercept fee plus any applicable postage. If the actual postage is greater than estimated, any additional postage will be charged accordingly.
5. Your shipment will be redirected to the original sender or held at the local Post Office for pickup.

For more information, go to *usps.com/manage/package-intercept.htm*.

Employee Tipping

Under the "gifts from outside sources" provisions of the Standards of Ethical Conduct for Employees of the Executive Branch, USPS employees are prohibited from directly or indirectly soliciting or accepting any gift from a prohibited source or any gift given because of the employee's official position. Follow these guidelines:

- All Postal Service customers are "prohibited sources" under the rule.
- A gift is anything that has monetary value, including cash and cash equivalents (checks, money orders, Amex/Visa gift cards, Venmo/CashApp), gift cards, meals (note that modest refreshments, such as soda, coffee, chips, and other snacks are not considered gifts), gift baskets, etc.)
- While employees are permitted to send a holiday card to customers (using the employee's personal funds), the card cannot include a message that directly or indirectly encourages them to give the employee a tip or a gift, as this would be an improper solicitation.
- There are a couple of exceptions to the general rule which allows a Postal employee to accept a gift from a prohibited source:
  1. The $20/$50 exception: Employees are permitted to accept a gift from a prohibited source if the gift is not cash or a cash equivalent; the gift is valued at $20 or less; and the total market value of all gifts the employee has received from the same source over the course of the calendar year does not exceed $50.
  2. A family or personal relationship with the prohibited source: A Postal employee may accept a gift from a prohibited source if circumstances make it clear that the gift was given due to a family relationship or personal friendship, not the employee's postal position.
- If an employee is given a gift that is worth more than $20, the employee must either: return it to the customer (our office can provide a letter to accompany the gift); pay the fair market value of the gift to the customer if the employee wants to keep the gift; or, if the gift is a perishable item (i.e., an item that will spoil if returned), the employee may share it with the office, donate it, or destroy it.

Postal employees are never obligated to accept a gift. If accepting a gift would create an appearance that the ethics rules have been violated, employees must politely decline. Even if you think an exception may apply, do not hesitate to contact the Ethics and Legal Compliance team with questions.

Letter Carriers and Dogs

The Postal Service asks customers to place their dogs in a separate room before opening the front door to accept packages from carriers. Dogs are protective of their turf and have been known to jump through screen doors, squeeze through door openings, and attack our employees. In 2025, more than 5,200 postal employees were attacked by dogs. USPS wants all our employees to get home safely each day.

Find more information at *usps.com/dogbiteawareness*.

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

Provide this listing to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy all interim notices when the numbers listed appear in the *Postal Bulletin.* The new money order serial numbers consist of the first 9 digits. The tenth digit is a check digit only.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal money orders.
2. Check that the proper security features are present:
   - For the legacy, green Postal Service money orders:
     a. Green coloring at the top and bottom.
     b. A U.S. Mail eagle logo in the center.
     c. A left-side watermark of Benjamin Franklin repeating top to bottom that is only visible when held up to a light source.
     d. On the right of the Benjamin Franklin watermark, a vertical, multicolored security thread with the letters "USPS®" weaves in and out of the paper.
     e. Discoloration around the dollar amounts might indicate the amounts were changed.
   - For the new red and blue Postal Service money orders:
     a. Red and blue ink with subtle design features of an eagle head and an American flag.
     b. Two watermarks that are only visible when held up to a light source:
        1. A watermark of a Pony Express® rider.
        2. A watermark that reads "United States Postal Service" in a rectangular box.
     c. A security thread that runs from the top to the bottom of the Postal Service money order, just to the right of the Pony Express rider watermark. When held to the light, the thread reveals the letters "USPS" alternating right side up and upside down throughout the thread.
     d. A Quick Response (QR) code that directs users to the USPS website to verify the status of money orders using three pieces of information.
     e. Discoloration around the dollar amounts might indicate the amounts were changed.

These features also appear at *usps.com/shop/money-orders.htm*.

If you or a customer suspects fraud, follow the guidance from the U.S. Postal Inspection Service:

- If you question the validity of a Postal Money Order, use the Money Order Verification System at 1-866-459-7822.
- You can also check the money order status at *usps.com/shop/money-orders.htm*. Go to "Check Money Order Status" and input the information.
- If you suspect fraud or criminal activity, call the Inspection Service at 1-877-876-2455 at your earliest convenience.

The legacy, green Postal Service money order will stay in circulation until all existing stock is depleted. As of October 1, 2024, USPS no longer sells international money orders. USPS will no longer cash international money orders after September 30, 2025.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the Restrictions following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service,* Domestic Mail Manual (DMM®), part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply.

DMM Revision: Money Order Payment Methods

Effective January 17, 2027, the Postal Service™ will revise *Mailing Standards of the United States Postal Service,* Domestic Mail Manual (DMM®) section 509.3.2.3 to eliminate traveler's checks as a method of payment for purchasing money orders.

Counterfeit mechanisms have become an increasing source of fraud in financial instruments. To protect revenue, the Postal Service is eliminating traveler's checks as a method of payment accepted by the Postal Service.

Although this revision will not be published in the DMM until January 17, 2027, this standard is effective immediately.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may get the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to get the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days after the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
